## Ultimate Tension Cream

A rich and velvety face cream to target wrinkles and boost skin elasticity.

HL/Skin Ultimate Tension Cream is a rich, velvety moisturiser developed with Korean skincare science. This formula combines Adenosine, Niacinamide, and Vitamin B5 to target wrinkles, enhance skin elasticity, and provide lasting hydration for a firmer, smoother, and more radiant complexion. With continued use, this cream helps restore a healthy, natural glow to the skin. It is also suitable for use under makeup.

### KEY BENEFITS:

- Backed by Korean skincare science
- Reduces the appearance of wrinkles while enhancing skin elasticity
- Leaves skin feeling smooth and soft
- Provides effective moisturisation and improves skin hydration
- Boosts skin radiance
- Restores a healthy, natural glow to the complexion
- Rich and velvety texture
- Suitable for use under makeup
- Suitable for diverse skin types
- No added parabens or sulphates

### KEY INGREDIENTS:

- **Adenosine & Niacinamide:** Supports skin hydration and targets early signs of ageing by reducing fine lines and wrinkles.
- **Vitamin B5:** Provides effective hydration and moisturisation, helps retain moisture in the skin, supports and strengthens the skin barrier, and improves skin softness and texture.
